Dear Mr. Vinopal:

This latter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

10 1996

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-Primary Report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your committee. of \$1,000 or more to your campaign, it is recommended checking procedures for your review that you contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to provide concerning this matter will be considered. (II CFR \$104.5(f))

-When a committee reports receiving a loan from the candidate, it is necessary to clarify whether or not the candidate used personal funds or borrowed the money from a lending institution or some other source. If the candidate borrowed funds from a lending institution, or other source, please provide the name of the lending institution and the complete terms of the loan. Additionally, for loans from a lending institution, you must file an PEC FORM C-1 (copy attached) and a copy of the loan agreement. If the loan(s) was from personal funds, please acknowledge that fact in an amendment to this report. It is important to note that "personal funds" is strictly defined by Commission Regulations. See 11 CFR \$110.10. (11 CFR \$\$100.7(a)(1) and 104.3(d))
